Comments/Suggestions _____

We need to fix the coverage issues of our 147.240 repeater and restore it to its former glory and we are going to install a DMR repeater on our allocated 443.700 frequency pair. In addition to my yearly member dues, I would like to donate the following amount to the repeater fund. \$50 \$100 \$250 \$500 _____

Checks made payable to the Butler County Amateur FM Association - or send paypal to bcafma@gmail.com

Return this form to AC3DB or bring to the next Dinner Meeting

Donate your old ham radio equipment! We would like to gather up some unused ham equipment to be loaned to new hams and students within our club to get them started in ham radio. If you have any handhelds, vhf or dual band radios, hf radios, antennas, coax or power supplies that you can donate, bring them to the next dinner meeting. We will pass them along to new hams and students to help them get started.
